NARELLE SMART

SUPREME LED OF THE SHOW

Narelle Smart was a friend to so many in our area. With her partner Cam Hinkley (Essential Equine Veterinary) the Supreme Led of our show has been sponsored by them for many years.

In a tribute to Narelle who died in early December of 2022 the Supreme Led has now been opened up to include all breeds who have been Supreme (and if no Supreme, champion) in their respective sections.

Narelle was funny, smart and generous with a passion for animals and in particular horses.

Many competitors will have known Narelle personally and when we say she would be rolling her eyes, smile and remember her quirky mannerisms.

We thank Essential Equine Veterinary for the \$200.00 sponsorship for this event and the beautiful Garland.

Remember look after one another. In the blink of an eye, it can change.
